

Oil industry workers are shown here visiting the Otis mobile display during its stay here last week.

## Oilfield Display Well Attended

A mobile display of oilfield production and safety devices set up on the Centennial Civic Centre parking lot last Friday attracted a good deal of interest by oil industry employees in the town and area.

The display, operated by Otis Pressure Control, arrived in Drayton Valley from Fort St. John and was also featured at major oil shows in the province. Following the Drayton Valley stop, the truck-mounted unit left for a Red Deer appearance and will then be routed to the Houston, Texas oil show.

Based at Dallas, Texas, the unit is on the road almost constantly, logging thousands of

miles in visiting oil producing areas across the North American continent.

The display features working and cut-away models of the Otis equipment line.

Of interest to Drayton Valley people was the return of a former resident, Mr. Beatty McKinnon, with the display. Mr. McKinnon, manager of Otis' Red Deer station, worked in the Pembina field for eight years, leaving here in 1964. Conducting tours of the unit was the northern sales manager, Mr. J. Hall of Edmonton.

## Early Bird Swimming

"Early Bird" swimming will start on Monday morning, June 1st at the usual time of 6:30 a.m. to 7:30 a.m. Monday through Saturday. Swimmers 16 years of age or older are the only swimmers allowed in the pool at this time.

Since the club has to pay for the use of the pool, and a life-guard, a fee has to be charged. It is \$6.00 for everyone in a family 16 years or older and \$4 for an individual membership. These memberships may be obtained at the pool office anytime this week.

If you wish any additional information you may contact Lou Taylor at 542-4116 or Wilma Steeves at 542-3516.

## POOL OPENED ON TUESDAY

The Drayton Valley Swimming Pool opened for a new season at 9:00 a.m. Tuesday, May 26th. School swimming occupied the day until 4:00 p.m. when it was open for public swimming until 9:45 p.m.

New heating equipment has been installed and the facility repaired and repainted. A major break in a pool waterline occurred earlier this spring but fortunately it was located without difficulty and repairs were relatively easy.

Pool schedule is printed elsewhere in this issue

## Championship Flight Winner

Ken Gillis, shown above, won the championship flight in last weekend's Drayton Valley golf tourney. He is holding the Socony-Mobil trophy for championship and his flight trophy.

## TOWN SETS RATE AT 78 MILLS

At its last regular meeting the Drayton Valley Town Council set the millrate for 1970 at 78 mills, unchanged from last year. The necessary bylaw was given three readings.

The rate will be levied on a live assessment of \$4,703,200. Estimated revenue for the year is \$683,779 and expenditures \$680,595.

## Dev. Board Conference This Week

Delegates from across the province attended the spring conference of the Industrial Development Board of Alberta in Drayton Valley on Tuesday and Wednesday of this week.

The board is a function of the Provincial Government with the objective of promoting a varied and healthy economy for the benefit of citizens of the province.

Along with government representatives, delegates represent a cross-section of Alberta businesses including banks, railroads and utilities.

Meetings are being held in the Legion Hall and the theme of the conference "Assistance Available in Industrial Development".

## Five Teams Take Part in Track Meet

The D.V. Junior High School First Invitational Track and Field Meet was held on Friday, May 22nd. The Junior High hosted teams from Lodgepole, Entwistle, Stony Plain and our own St. Anthony's. Approximately

Cont. on Page 2

## WALKERS URGED TO COLLECT PLEDGES

Those who walked in the "Miles for Millions" are reminded that the amounts collected are now due at the Royal Bank. Parents, kindly see that your

children have completed their collecting. For various reasons, the 1969 walk netted \$1,000 less than pledged.

## Enjoy Angling Success

The Norman Tuckers, senior and junior, are shown above with a fine catch of walleyes taken early Saturday morning at Buck Lake. The eighteen fish were taken in three hours angling at Oakes Bay. All are nice average size walleyes, with the largest 19 1/2 inches in length.

# THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA  
WEDNESDAY, MAY 27th, 1970

## New Subdivision For Mobile Homes

At its last regular meeting the Drayton Valley Town Council approved the sale of twelve acres of land in the recently acquired Art Wood parcel, for the establishment of a mobile home subdivision.

The property adjoins the West Valley Park and the area to be used for the mobile home subdivision will be along the creek on the south-east side of the quarter.

The land was sold to West Valley Developments Ltd., represented at the meeting by Mr. Len Hogarth, at a price of \$750 per acre.

The development planned by the company involves 50 to 60 lots 50 x 105 feet. Some lots will be offered for sale and others will be available on a rental basis.

The developers envision a modern subdivision with trailer homes laid out in semi-circular streets affording maximum visibility from each home. A park is included in the plan which includes all underground wiring, a central TV antenna and a central community propane supply.

The town will undertake the building of a new road into the area and providing the necessary water and sewer services. The south lagoon will be used for the sewer service.

At the request of the develop-

er water and sewer local improvement levies will be deferred and charged as the lots are sold or rented.

## COUNCIL BRIEFS

At the regular meeting of Town Council held May 14th approval was given for the moving of a single unit dwelling on Lot A, Block 23.

Council also approved the sale of residential lots to Dennis Ensminger and Tony and Marie Woytowicz.

Mr. E. Newman of Grandon Builders Ltd. was present at the meeting to discuss the need for additional subdivisions for smaller homes.

At this point Mayor Johnson noted that he had been appointed sales agent for Grandon Builders Ltd. and wished to be excused from discussion of the matter. Deputy Mayor R.B. Smith took the chair and Mayor Johnson retired from the meeting for the duration of the discussion.

Mrs. E. Lindgren has expressed interest in subdividing the area between Block 45 and Block 23 for this purpose and discussion centred chiefly around the size of lots to be permitted. A plan has been drawn up allowing 21 lots in the area with the smallest 54 feet in width.

Following discussion with Mr. Newman, Council directed that the Development Officer and Town Engineer study the proposal submitted and draft a revision indicating lot requirements for submission to the developer and the Edmonton Regional Planning Commission.

Council authorized the Town Engineer to negotiate with business places requiring sweeping services utilizing the town's street sweeper.

Council directed that the Recreation Board be advised that application for the Provincial Recreation Grant will be made only on behalf of arena improvements. Council will then give consideration to capital expenditures for improvements to tennis and ski facilities.

Council approved the development of a nursery care centre at Lot 8, Block 41, subject to general health, sanitation and fire regulations.

Council met again on Thursday, May 21st and studied and made corrections to the business license bylaw.

Increase in membership of the Municipal Hospital Board, with another representative from Drayton Valley, was supported by the Council.

Council authorized the attendance of Mayor and Secretary-Treasurer at the Municipal Refresher Course in early June.

2014.18.948

## Kindergarten Holds Annual Meeting

The second general meeting of the Drayton Valley Community Kindergarten for the 1969-70 term was held in the gymnasium of St. Anthony's School on May 19th, at 8:00 p.m. with approximately 45 kindergarten parents in attendance.

The meeting was preceded by the program portion of the evening, as the guest speaker, Mr. Raymond Phipps, Supervisor of Drama with the Edmonton Public Schools had requested 15 kindergarten students be in attendance. Mrs. Lou McDowell introduced the guest speaker giving a brief summary of Mr. Phipps education and extensive background in the field of Dramatics.

A demonstration on imaginative drama involving the students was given, which was most fascinating as well as being very informative. The children forgot their present surroundings and became involved in an imaginative world of animals, birds, plants, flowers and circumstances. Mr. Phipps then spoke to the parents on how they too can become involved with their children on imaginative creativity very easily. A question and answer period followed. Mrs. Maga Telford thanked the speaker on behalf of the kindergarten executive and parents. Coffee was then served, and the parents were invited to meet and speak to Mr. Phipps informally.

The business portion of the meeting was chaired by President Mrs. Nancy Jacobs. The minutes from the September general meeting were read. A summary of the year's correspondence was given by the Secretary, Mrs. Maga Telford. The year's financial report was given by Treasurer, Mrs. Jeanette Vatter. Bank balance as of April 30th, 1970 was \$695.77. The books will be audited by one of the local bank managers.

Mrs. Jacobs reported that a total of 75 children had attended kindergarten this term with 12

remaining on the waiting list.

A brief summary of the year's activities was given noting that various field trips had been made by the students as well as various interesting people had visited the kindergartens.

The past executive and teachers were thanked for helping make the year a success.

Parents were reminded of the Open House on Thursday, May 28th. Class pictures and diplomas will be given to the students and there will be a display of projects made by the students.

All the officers on the nominating committee slate were elected by acclamation. They are: President Mrs. Lou McDowell, Vice-President Mrs. Pat Bester, Secretary Mrs. Carol Gillis, and Treasurer Mrs. Helen Sekura. Board Members are: Mrs. Lillian Madsen, Mrs. Brigid Mulgrew, Mrs. Marlene Olson and Mrs. Lou Taylor.

There are at present 68 children registered for the next term.

Teachers Mrs. Jeanette Miner and Mrs. Lil Ross have resigned to teach school. Mrs. Zen Haydey will be returning to teach a half-day class. An ad will be placed in The Western Review for teachers to replace those resigning.

Class locations were discussed and a motion by Mrs. Doris Tyerman, seconded by Mrs. Rita Kenworthy was made that these and the hiring of teachers be left to the new executive. A copy of the constitution will be sent out with the August newsletter. The parents of students attending the 1970-71 classes were advised that they would be notified in the summer about which class and location their child would be attending.

### No Photos On Licenses

Hon. Gordon E. Taylor, Alberta Minister of Highways and Transport has announced that the photograph of each driver will not be placed on the operator's license at the present time. A study by a Departmental Committee indicated that the cost of photographing each driver in the province and placing the photograph on the driver's license would be a minimum of \$1,500,000.00. This would have meant an increase in the cost of each driver's license by at least \$1.50.

There's somewhat of a difference between drinking in the morning and drinking in the morning.

### KEEPPHILLS NEWS

Everyone is busy in their gardens, planting everything without fear of frost in early June.

The Smiths from Pickardville visited at Roy Raymond's home over the long weekend.

Ila Edge spent a week in Edmonton with friends.

The flu bug is still around and several were sick last week.

Bill Sharran was married in Edmonton last week and some from this area attended the wedding.

A well attended bingo was held at the Keepphills Hall last Saturday evening in aid of the building fund. Several cash prizes were won by young and old alike.

Elva and Wayne Clark and daughter Susan spent the weekend at Jasper, attending the 5th anniversary of the Baptist Church and seeing old friends.

COUNTY OF PARKLAND No. 31  
STONY PLAIN, ALBERTA

### HELP WANTED

The School Committee of the County of Parkland No. 31 requires a head caretaker for the new school at Spruce Grove, presently under construction. The school will consist of the equivalent of 25 classrooms, a gymnasium, administration area and other auxiliary space.

The building will contain a complex heating system and the caretaker will require a broad knowledge of modern heating systems. Duties will commence on or about July 15, 1970. The rate of pay is still under consideration but will probably range from \$425.00 to \$500.00 per month depending on qualifications and experience.

Please submit written applications to the County Office in Stony Plain not later than 10:00 a.m. on Monday, June 15, 1970 stating qualifications, experience, age, marital status and at least 2 reliable references. Application forms are available at the County Office upon request.

For further information please contact the Maintenance Supervisor, Mr. E. W. Hillyer, or the undersigned at the telephone number listed below.

A. W. BOYCHUK,  
Assistant Secretary-Treasurer,  
County of Parkland No. 31,  
Stony Plain, Alberta.  
Telephone: 777-2231

### Track Meet

Cont. from Page 1

150 athletes participated.

Dennis Reid, Physical Education Instructor at the Junior High, organized the meet and with help from the entire Junior High staff and staff members from other centres, ran a very successful meet.

The meet finished with the presentation of individual awards by Mr. Ivan Vowk, Drayton Valley Area Councillor. Trophies for class winners went to the following athletes.

Class I: Girls-Debbie Reid of D.V.J.H. with 10 points, Boys-Gerald Specht of Stony Plain with 10.5 points.

Class II: Girls-Cheryl Daviduk of D.V.J.H. with 12 points, Boys-Dean Samis of D.V.J.H. with 12 points.

Class III: Girls-Valerie Calavan of Stony Plain with 6 points, Boys-Jerry Hook of St. Anthony's with 10 points.

Class IV: Girls-Pauline Smithinski of D.V. Elementary with 10 points, Boys-Elton Allen of D.V. Elementary with 8 points.

Final school standings were as follows: Drayton Valley 178.5 points; Stony Plain 85.0 points; St. Anthony's 72.0 points; Lodgepole 23.5 points; and Entwistle 19.0 points.

### BURTONSVILLE NEWS

Saturday, May 16th was clean-up day at the cemetery here.

Lewis Homme of Stony Plain visited his parents Saturday and brought his garden plough along and prepared the garden ground for planting.

Stanley, Doris and Ken MacDougall went to Edson on Monday to visit Agnes and Horace Shepherd and to see the new grandson, Dwayne Arthur, who is growing nicely.

Paul and Paulette Emmil of Fallis had their little daughter Susanne baptised here in the church on Sunday, May 17th.

Wayne Osbak from Red Deer visited his parents Albert and Bemice on Sunday.

## LETTERS

TO THE  
EDITOR

The Editor  
The Western Review

Dear Sir:

It has come to my attention that there may have been a misunderstanding on the part of some of your readers and parents of the students attending the Drayton Valley Junior High School with regard to the minutes of the Parkland School Committee Meeting of May 5th.

Although you reported the minutes correctly in the paper, the School Committee at yesterday's meeting have requested that this resolution be changed to avoid any misunderstanding that may have arisen. The resolution stated that, "because of the results of the examinations, Mr. Wilson recommended an expenditure of approximately \$500 on reading materials for the Drayton Valley Junior High School." The following information is pertinent to clarification of this resolution:

1. The school principal and staff had requested the expenditure of money long before the Grade IX examination results were available. In other words they felt there was a need to offer options in Reading and were

planning these for September 1970.

2. The examination results were used by myself to substantiate this need to the School Committee.

3. The examination results in Reading for the Junior High School were very close to what might be called the provincial average or normal distribution of these results. In other words they were equal to what might be expected on comparing them to all schools in the province.

However, the point that I was trying to make with the School Committee in order to verify the need for reading materials, as requested by teachers and principal, was that there were 41 students who were reading (at least in this test) below the 40th percentile.

To put it another way, although the results on the reading test for the Drayton Valley Junior High School were equal to what might be expected on the provincial average, is this good enough? What should we be doing for the 41 students who were failing?

The school staff had recognized this need long before the examination results were available. My part was to indicate to the school committee that these students required special help. An expenditure of some \$500 would help the principal and teachers implement reading options to help alleviate this situation. Incidentally, this situation is not unique to Drayton Valley Junior High. All junior high schools in the County have students reading below the 40th percentile as measured on this test. For example, Stony Plain Junior High had 43 students in this category.

I trust that this information will help clarify any misunderstanding that may have arisen.  
Sincerely,  
W. G. Wilson  
Assistant Superintendent  
of Schools.

Most people play a fair game of golf if you watch 'em closely.

### WHAT HAPPENS TO CLICHES UNDER METRIC SYSTEM?

The word from Ottawa, via Maclean-Hunter's business press bureau editors Maurice Cutler and Steve Duncan, that the adoption of the metric system is ultimately inevitable - and desirable - for Canada in the opinion of government officials.

These same officials are quoted as saying they also consider it appropriate for the government to assume a leading role in the planning for and implementation of this monumental change.

The break from the familiar inch-pound system to metres and litres promises to be very expensive and complicated for every Canadian businessman and housewife. Everything from production machinery to package sizes will have to switch to metric measurements, and the bill will likely add up to more than \$100 million.

But it's expected the long-term benefits will be worth it and will be reflected in improved foreign trade since only four countries -- Canada, United States, Australia, New Zealand -- still cling to the old system.

What it will do to our language is another problem. "A miss is as good as 1.16 kilometres", is going to sound pretty funny; so is "hiding your light under 0.363 hectolitres." How are Canadians going to look in big white "45.43 litre" hats? And how are you going to tell someone that there's not "0.06 grams of truth" in what he says?

She (just engaged): "Did Daddy seem pleased when you told him about the \$200. you have saved up?"

Fiance (wistfully): "I think so. He borrowed it."

## Editorial Comment

### The Elephant and the Flea

Popping up at regular intervals on radio open-line shows, letters to editors and private conversations, is the familiar old complaint that the United States news media doesn't pay any attention to Canada. Travellers note that American papers say nothing about Canada, while the Canadian press is loaded with U.S. news.

Perhaps the U.S. media overdoes the neglect of Canada but at the same time we believe that Canadians who expect equal billing are a little naive. Our neighbor below the border is a giant among world powers and his comment or action of world importance. Canada is still a little removed from this league.

Aren't we a little optimistic in expecting news of our 20-million to have much impact on the 200 or so million below the border?

### Those Unsigned Letters

We still receive from time to time letters intended for the "Letters to the Editor" column that do not bear the writer's actual signature. This week we received an interesting letter with reasonable comments on the Miles for Millions March, but unfortunately, it was signed with a pen name and will not be printed.

We welcome your comments but please sign the letter. A pen name may be used and the writer's name held in confidence.

### Making the Most of Your Qualities

He who succeeds in any enterprise in which others fail may be presumed to have qualities of some sort or other which they do not have.

Unless one is aware of his qualities he is like an acorn that does not know whether its proper destiny is to be an oak tree or a cabbage. It is a good question, then, to ask: "What qualities have I as a person, as a worker, as a home-maker and as a citizen?"

There is in every person a desire for distinction which inclines him first to hope and then to believe that nature has given him some talents peculiar to himself. Making the most of those qualities is an end in itself for his own sake; it is also a contribution to his family and to society.

When you take stock of your qualities you are already ahead of the great mass of the people who never seriously consider what talents they have with which to work. No one can expect the best of himself if he thinks aimlessly about his qualities and selects his quality tools at haphazard. The nuclear physicist does not use a pickaxe to split atoms.

No one can guarantee you success in using your qualities, but you can deserve it. What you imagine on a large scale will be realized, perhaps on a smaller scale, depending upon how right your assumptions were about your qualities and how earnestly you try.

At any age you may be able to say "my present situation is but a sketch of a picture which I must finish." Start every morning with your mind set toward doing things.

One who seeks to make the most of his qualities will do habitually well what he has to do. "According to one's power": that was the refrain and favourite saying of Socrates, a saying of great substance.

## D. V. Highlights

By Mrs. Edith Deby

It is good to see Miss Linda McMorris back again on the recreation scene. Linda has been appointed assistant Recreation Director and will be found at the pool this summer. Miss Margaret Orlak will be helping at the pool during the university holiday.

Mr. and Mrs. Albert Thompson have sold their lot here and will move to their old district of Mountain View to live.

Mrs. Albert Adam, the former Miss Rachael Edel, passed away earlier this month at her home near Churchbridge, Saskatchewan. Mrs. Adam leaves her husband, one son Stanley, one step-son Dale, and two daughters Sheila and Sonya. Before her marriage, Mrs. Adam lived in Drayton Valley for some time. She was prominent in the Church of God and was supervisor of the telephone exchange before the dial system was set up. We join all Mrs. Adam's other friends here in extending sympathy to her husband and children.

Former residents, Ossie Williamson, and Red Fuhr, were seen about town last week greeting acquaintances. Mr. Williamson lives in Delta, B.C. and Mr. Fuhr in Seattle.

## Successful Sports Day Held at Alder Flats

Two old timers of the Alder Flats district, Mr. Gene Seely and Mr. Clyde Hammond and an old timer of the Winfield district Mr. Art Cartier led the parade to start off the Alder Flats Annual Sports Day on Monday, May 18th. A very competent job of judging for the parade was done by Mr. and Mrs. Ray Thompsons of Buck Lake and Mr. and Mrs. Ken Larson of Winfield. A special thanks is extended to them.

Winners in the parade were: Bicycle section: 1st Terry Hayduk, 2nd Susan Shanks, 3rd Donnie Hayduk. Novelty section: 1st Alan Seely, 2nd Regan Seely, and 3rd Dwayne Hoffman. Horse section: 1st Janey and Debbie Seely, 2nd Heather Shanks, and 3rd Jamie Chapchuk.

Pony Express Race (6 miles), winners were: 1st Ivar Lister of Millarville, 18 minutes and 52 seconds; 2nd was the Winfield Hardware entry of Winfield in 19 minutes 11 6/10 seconds; 3rd place was Doyle Seely of Alder Flats in 20 minutes, 55 5/10 seconds; and 4th place was Paul Clemmer of Alder Flats in 21 minutes and 32 2/10 seconds. Sponsors for this race were: J. L. Seely Imperial Oil Agent, Alder Flats for 1st prize; Memer Motors Western Ltd. of Wetaskiwin for 2nd prize; Wetaskiwin Motors for 3rd prize; and Ivar Lister of Millarville sponsored 4th prize.

Half-mile Open Horse Race was won by Don Lazo of Winfield; followed by Lyle Gordon of Drayton Valley 2nd; Bruce Whitelock of Alsike 3rd; and 4th was Paul Clemmer of Alder Flats. This race was sponsored by Pahai Motors Ltd. of Wetaskiwin.

3/8 Mile Horse Race: 1st, Dennis Miller, Buck Lake; 2nd, Lyle Lister of Winfield; 3rd, Ivar Lister, Millarville; and 4th, Charles Makofka, Rimbey. Winfield Transport of Winfield sponsored this race.

Walk, Trot and Run Race: 1st, Doyle Seely, Alder Flats; 2nd, Melvay Seely, Drayton Valley; 3rd, Ed Lauer, Violet Grove; and 4th, Vic Miller, Buck Lake. The race was sponsored by Sekura Auction Mart, Drayton Valley.

1/4 Mile Pony Race: 1st, Jim Lister, Winfield; 2nd, Carol Lister, Winfield; 3rd, Janey Seely, Alder Flats. Sponsored by The Hudson Bay Co. of Drayton Valley.

Winners in the log sawing contest were Pete and Elmer Maciborsky of Alder Flats in 42 seconds; 2nd were George and Victor Maciborsky of Alder Flats in 45, 3/10 seconds; 3rd were John Haggart of Alder Flats and Clare Clemmer of Wainwright in 70 2/10 seconds; 4th were Don Lazo of Winfield and Andy Anderson of Buck Lake in 78 5/10 seconds.

The ladies nail driving contest ended in a tie with Mrs. Janke of Brightview and Mrs. Crabtree of Wetaskiwin sharing the prize money.

Winners in the gymkhana races will be in next week's edition, if still available.

A total of \$99.20 was collected from this area for the Cancer Fund. Thank you one and all from the Association and your local canvassers.

Monday visitors at the Dale Sergeants were Jean's parents Mr. and Mrs. John Hall of Lacombe and Jean's brother and family.

John and Linda Hall and LaDene of Rocky Mountain House. They also attended the Alder Flats Sports Day events.

Wednesday, May 20th, Alder Flats Grades 5 and 6 students played ball against Winfield at Buck Lake and lost by 22-19.

## Feeders', Ranch Day By U of A June 6th

Livestock breeding, feeding, housing and management problems, studied during the past year by the University of Alberta's Department of Animal Science, will be discussed in detail at Feeder's Day on June 6th and at the Ranch Field Day on June 15th.

The Feeders' Day program starts at 10:00 a.m. in the livestock pavilion at the Edmonton research station on 116 Street and 71 Avenue.

Several reports of interest to livestock men will be presented at the feeders' day.

The Ranch Field Day will start at 10:00 a.m. at the University Ranch immediately north of Kinsella. The program will begin with a tour of the range improvement work being done on the ranch under the direction of Dr. A.W. Bailey, Department of Plant Science. The following five papers will be presented during the afternoon.

"Factors Affecting Pre-Weaning Performance in Beef Cattle", will be given by Dr. R.T. Berg. This report will attempt to evaluate the importance of a calf's birth weight, sex, age, growth rate and age at weaning plus the milk yield, age, size and breeding of its dam on the calf's pre-weaning performance.

"Lean Distribution in Carcass-

es from Bulls, Steers and Heifers of Various Breeds", also reported by Dr. Berg, gives the results obtained from comparing the percentage of lean meat from various parts of the carcass of dairy and beef bulls, steers and heifers. These results cast serious doubts about the importance of conformation in beef cattle.

"Maintenance Energy Requirement of Beef Cows", reported by Dr. Young, deals with the effects of climate, breed, strain and nutrition on dietary energy requirement and the increment of energy required for the gain or loss in weight of cows in the University's beef breeding herd at Kinsella.

"Forage Production on Unbroken Land", presented by Dr. Bailey, compares the productivity of a number of cultivated forages with each other, and the productivity of cultivated versus native forage species. The effects of discing before seeding and of spraying to control regrowth were also evaluated.

"Effect of the Silverberry Shrub on Forage Production", also reported by Dr. Bailey, contains information on the effects of this plant on the productivity of different species of native forage.

Lunch will be available at a nominal charge at both Feeders' Day and the Ranch Field Day.

## Edges on the Figure Eight

A great asset to a successful figure skating club is the year-round use of an indoor arena equipped with artificial ice. This allows serious skaters to train both winter and summer; either for competitions or tests. A recreational program for learning skaters, or those who prefer skating only for enjoyment, can be run during the winter season.

Like any athlete, a skater has a difficult program to complete before he or she is qualified to teach or perform in an ice show. This program was devised by the Canadian Figure Skating Association (C.F.S.A.) and its standards are maintained throughout Canada. There are many divisions in the program, and the skater may choose to participate in any number or all of them. Also, after competing in these divisions.

In single skating there are three divisions: compulsory figures; freestyle; and ice dancing. A partner is required for pair freestyle and pair free-dancing.

There are nine levels or tests in the compulsory figures. The first is called the Preliminary Test and the last is the Eighth or Gold Test. A skater just beginning may pass two or three of these tests per year, but they become progressively harder and the final tests usually require at least a year of training. The

compulsory figures demand great concentration on the part of the skater. Each figure is based on the circle or "figure eight", but may include many difficult variations. There are 74 figures in all, and the skater must strive to perfect each of them.

Unlike the compulsory figures, a skater may use his originality in the freestyle division. Although certain moves have already been established, he may invent his own jumps and spins or combinations of movements. This freedom allows the skater to develop an individual style which is just as important as the particular moves he perfects. Freestyle exams consist of the Bronze, Silver, and Gold tests. Certain compulsory figure tests must be passed, however, before the skater is eligible for his freestyle tests.

Because figure skating requires an athlete in perfect physical condition willing to train for long hours at a time, it is absolutely essential that facilities for year-round participation are provided. In the winter, a skater often has to concentrate on his education. By attending a summer skating school for a month or two he or she may accomplish as much or more than would be accomplished in a whole winter season.

## BLIND OFFER DIALING TIP

Do you have trouble dialing the telephone in the dark? It could be that one of the daily skills used by the blind may help solve a problem for you.

Actually it is very simple if you use the method of some blind people. By placing your little finger of your right hand in the hole for the number one, then the rest of your fingers on the right hand can easily fall into the two, three and four numbers and with your index finger you can reach for the number five.

For the other numbers on the phone, the same procedure can be applied using your right hand and placing your little finger in the zero.

## Estimates Show Cattle Decline

Estimates released recently by the Dominion Bureau of Statistics reveal that the number of cattle on feed in Alberta declined slightly from January 15, 1969 to the same period in 1970.

Hugh Bryce, agricultural statistician with the provincial government's Marketing and Statistics Branch, reports that there were 571,000 cattle, consisting of 426,000 steers and 145,000 heifers, in the over 600-pound category on feed on January 15 of this year. This total represents a decline of 1.2 per cent, or approximately 7,000 fewer animals, from the same period in 1969. The number of heifers on feed declined by 52,000 head, or 26 per cent; while the number of steers increased by 45,000 head or 12 per cent.

During the December 1, 1968 to December 1, 1969 period the number of cattle and calves in the province increased by 3.7 per cent. The 1.2 per cent decline in cattle in the over 600-pound category on feed reflects the fact that many farmers and ranchers are holding back heifers to build up their herd, says Mr. Bryce.

He points out that a new weight category of 450 to 599 pounds was introduced by DBS this year to improve the accuracy of their estimates. It became apparent that some animals weighing less than 600 pounds were reported in the over 600 pound weight cate-

gory in the past. On January 15 of this year 345,000 steers and 254,000 heifers were estimated to fit into this category.

Mr. Bryce reports the southern region of Alberta has almost 60 per cent of all the cattle on feed in this province. The central and northern regions have 32 and 10 per cent respectively. The southern region showed a 3.3 per cent increase in number of cattle on feed during the 12 month period covered by DBS estimates, while the central and northern regions showed declines of 7 and 4 per cent respectively.

## Public Invited To Hear Speaker

Rev. Doug Welsh, native of Alberta, who is on furlough from Kenya, where he has served his second term in the Literature Program there translating the Bible, will be a guest speaker at the Church of God, Doug's wife, Ruth, is a daughter of the Walker Wrights. Rev. Wright served as Church of God Pastor in this area for some time.

Everyone is welcome to the services on Friday evening, May 29th at 7:30 p.m. and both services on Sunday, May 31st.

The one word that above all others makes marriages successful is the word "We".

## Weekly Livestock Report

The Edmonton weekly livestock report for the week ending May 23, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	4200	3600	600	3000	25
Last week	5090	4095	995	3548	30
Same week (1969)	5002	4280	722	889	37

### SUMMARY

Receipts lower on account of the short holiday week and fine seeding weather. Offerings were approximately 70% replacement classes of cattle and calves with yearlings accounting for most of the replacements. Trade was active. Slaughter steers steady to firm. Butcher heifers 50 lower. Cows uneven to steady. Bulls steady. Veal unchanged.

### SLAUGHTER CATTLE & CALVES

Top quality good conditioned slaughter steers were generally scarce on the market this week. Sales opened at steady prices on all grades with some firmness in closing trade as a few high yielding choice kinds sold to 31.75. Butcher heifers in the 600-700 lb. range were in over supply selling at discounts of 50 to \$1.00. Heavier weights were also under pressure to 50 lower with choice kinds topping 29.00 for the week. Butcher cows opened about steady to close 25 to 50 higher on all grades. There were a few sales over 23.00 for good kinds as the week closed. Bulls were unchanged with the odd good bologna type topping 28.00. Veal and butcher calves steady.

### REPLACEMENT CATTLE & CALVES

There was a good demand for all offerings of replacement cattle this week. Good green types were selling at firm prices with some sales over quotations. Stock calves were in limited supply at firm prices for good kinds.

### SHIPMENTS

Out of Province shipments last week from the Edmonton Stockyards were - East, 57 for slaughter; West to B.C., 520 for slaughter. Export, 27. Feeders to Southern Alberta, 775.

### CLOSING QUOTATIONS

#### SLAUGHTER CATTLE

Steers: Choice 31 to 31.50, sales to 31.75, good 30 to 31, medium 28 to 29.50. Heifers: Choice 28 to 29, good 27.50 to 28, medium 26.50 to 27.50. Cows: Good 22 to 23, odd sale higher, medium 20 to 22. Canners and Cutters: 17.50 to 19.50.

## SUB-MITS

FROM THE ELEMENTARY SCHOOL

On Friday of last week the grade one teachers of this school, met with other grade one teachers from the County of Parkland and Lac Ste. Anne School Division for a one-day institute. Dr. Bishop from the Psychology Department of the University of Alberta was guest speaker.

His talk included growth characteristics of young children ages 5 to 7. Also included were ideas for activities and different ways to arrange the classroom around interest centers (math, science, etc.) He stressed the need for a change of activities regularly within the classroom as the children's attention span is short.

More classroom movement is necessary instead of a rigid desk curriculum. As our children now begin school at an earlier age this talk was most appropriate.

As well the teachers viewed a video-taped program which showed one teacher's way of presenting a lesson and working with small groups of children.

An ideally equipped classroom would have mats on the floor, educational building blocks, large-cut jig saw puzzles, jars and scales for measurement, sand tables, play house equipped with kitchen utensils, clothes for dressing up, saws, hammers, old clocks, scraps of lumber, screws, bolts, etc. The entry of the younger child now necessitates adjusting the grade one curriculum to a kindergarten type approach. They need to learn by

doing.

Activities for beginners during orientation week were planned. Be on the lookout for announcements for this week in our local paper soon.

Congratulations to Pauline Smithinsky and Elton Allan, grade five students from our school who won trophies in the track meet last week.  
Sincerely,  
Olga Brown.

The bank robber shoved a note across to the teller which read: "Put the money in a bag, sucker, and don't make a move."

The teller pushed back another note: "Straighten your tie, stupid they're taking your picture."

"May I see the Loan Arranger?"  
"He's out to lunch. Would you like to see Tonto?"

## Summary Regular Meeting Parkland School Committee

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Tuesday, May 19th.

Present were Messrs. R. A. Bailey, George Mann, L. N. Miller, R. Zander, Peter Bakker, R. Lent, Ivan Vowk, Don Gylander, J. W. Tyler and Mrs. Elizabeth Howery, School Committee Members, also Superintendent of Schools, Mr. Henry Toews, Assistant Secretary-Treasurer, A. W. Boychuk.

Mr. S. Hodgson, Architect, and Mr. H. D. Coombs, Manager of H. D. C. Construction came to see the School Committee regarding the progress at the new Spruce Grove School.

They estimate that the first stage of the school should be completed by July 15th. Mr. S. Hodgson explained that it is possible that the Granwood floor in the gymnasium may be laid before June 19th but this will not allow sufficient time for the concrete below to cure properly.

Mr. H. D. Coombs explained that their estimated completion date for the addition is September 1st and they cannot see how it could be completed any sooner.

Mr. S. Hodgson further reported that the estimated cost of the changes in the kitchen requested by the Village of Spruce Grove is \$380.00.

### SUPERINTENDENT'S REPORT

Mr. Henry Toews advised that the selection committee has picked Mr. Andy McGladrie as principal of the Stony Plain Junior High School.

It was moved and carried that the recommendation of the selection committee to appoint Mr. Andy McGladrie as principal of the Stony Plain Junior High School be accepted.

It was moved and carried that Miss Anne K. Miller be designated Vice-Principal of the Stony Plain Elementary School.

### STAFF APPOINTMENTS

Mr. Henry Toews recommended the following staff appointments: Mrs. Cheryl Telasky (Bom); Mrs. G. Strashok; Mr. Gordon Rosier; and Mrs. Jeanette Miner.

It was moved and carried that the foregoing staff appointments be approved.

Mr. Henry Toews reported the following staff resignations: Catherine F. Bennett; Walter F. Bennett; Roberta J. Evoy; and Ema Wickware.

It was moved and carried that the foregoing staff resignations be accepted.

It was moved and carried that Mr. E. A. Smith be transferred to the Drayton Valley Junior High School effective September 1st, 1970.

### POLICY HANDBOOK

Mr. H. Toews recommended that a committee consisting of two teachers or principals, two School Committee members and the administrative staff be delegated to write policy in accordance with Bill 35. Names suggested for this committee were Mrs. A. C. Kritzing, Mr. Don Gylander and Mr. A. F. Olson.

It was moved and carried that the Superintendent's report be accepted.

Mr. L. W. Kruger came to see the School Committee regarding the attendance policy at the

(Cont. on Page 10)

## March Reported By Co-ordinator

In his report received this week, Miles for Millions March Co-ordinator Bob Doig notes that 971 registrations were received prior to the march.

Of all the marchers, 52.72 percent completed the 26-mile walk. Drop-outs at each check point are as follows: 3 miles, .31%; 6 miles, 1.52%; 9 miles, 5.25%; 11 miles, 4.22%; 14 miles (Easyford Campsite), 10.00%; 17 miles, 4.30%; 19 miles, 3.92%; 21 miles, 5.26%; 23 miles .62%; 26 miles, 52.72%.

The report recommends a number of changes relating to the type of form used by marchers and methods of speeding up registration on the morning of the march.

The report tenders thanks to those who helped with the march including: The Legion Ladies Auxiliary who came and looked after the refreshments and in particular Mrs. L. Thompson, Mrs. Coleman, Mrs. P. Jenkins, Mrs. Clemmer, Mrs. Ball, Mrs. Hale and Mrs. McGee; the office of Mobil of Canada who supplied the trucks for check points and the drivers, namely Norm Tucker, who headed up the project from their end, J. Thacher, B. Clemmer, C. Thauberger, P. Halko, D. Swendsied, J. Starling, D. Bester, E. Chaput, D. Johnston, J. Wallace, B. Swendsied, D. Peters and C. Rosenberger. These men put in a long day and in most cases without refreshment; special thanks were extended to the registrars who did a superb job of registering,

making up lists and checking in those who returned. The girls were: Connie Hagen, Linda Hinecker, Barbar Mohr, Colleen Holeman, Eileen Hazzard, Bernie McCann and Judy Wilkes, also those who gave of their time to act as pick up vehicles.

### EXHIBITS INVITED

July 23rd to August 1st, are the days to remember for Klondike Days Exposition this year. If you are interested in entering their Handicraft or the Culinary Competitions, please obtain a prize list from the Edmonton Exhibition Association Limited, 474-6451.

There are several new categories in the Handicraft classes, and frozen foods has been added to the Culinary section.

### KINDERGARTEN TEACHER REQUIRED

The Drayton Valley Community Kindergarten Board requires a teacher to commence duties September 1970. Applicant must be a qualified teacher.

PHONE MRS. LOU McDOWELL at 542-4695

For further information - Registrations are still being accepted for fall term.

## 1970 FOREST FIRE PREVENTION BULLETIN

EFFECTIVE APRIL 1 TO OCTOBER 31

## GET A PERMIT BEFORE BURNING BRUSH

Regulations in support of this year's program to prevent Forest Fires require that all farmers and settlers living in Improvement Districts or any forested area first obtain a Fire Permit before burning brush or debris from newly cleared land, or from present fields.

Neglectful burning, or burning without a Fire Permit is punishable by law. The Forests Act and Regulations clearly state conditions under which field debris burning must be carried out. The Alberta Forest Service will strictly enforce all forest fire prevention laws. Avoid Penalties . . . get a Fire Permit. Information and Fire Permits may be obtained from your nearest Forest Officer or Municipal District Office.

SERVICE

COUNTY OF PARKLAND No. 31

### CALL FOR TENDERS

#### Shop and Offices at Drayton Valley

SEALED TENDERS will be received by the undersigned at the County Office of Stony Plain, Alberta up to 11:30 o'clock MST, June 11, 1970 for the construction of Shop and Offices at Drayton Valley, Alberta.

Tenders for the above project shall be accompanied by a certified cheque or bid bond in the amount of Five Thousand Dollars (\$5,000). A Consent of Surety will also be required for a Contract Performance Bond in the amount of Fifty Percent (50%) of the tender.

General Contractors may obtain plans, specifications and tender documents on and after 8:30 a.m. MST, May 28, 1970 from the office of The Cambrian Group, 10762 - 82 Avenue, Edmonton, upon deposit of a certified cheque in the amount of Fifty Dollars (\$50.00). Deposit will be refunded upon return of documents within seven days of the closing of tender, complete and in good condition.

Plans and Specifications are on display at the Edmonton Construction Association.

The Owner reserves the right to reject any or all tenders and the lowest tender not necessarily accepted.

O. W. SCHUSTER,  
Secretary-Treasurer,  
County of Parkland No. 31

The Cambrian Group,  
10762 - 82 Avenue,  
Edmonton, Alberta.

## Regular Meeting School Committee

(Cont. from Page 9)

Memorial High School.

The matter of the existing attendance policy was discussed with Mr. Kruger at great length.

Mr. M. W. Martyn requested a half time teaching position at the Memorial High School in Stony Plain. This matter was referred to Mr. H. Toews for clarification with Mr. Martyn.

ASSISTANT SUPERINTENDENT'S REPORT

Mr. W. G. Wilson reported on the following items:

(a) Regional Library - He advised that meetings were held with the Yellowhead School Division and the County of Lac Ste. Anne on a Regional Library and the response was very favorable.

(b) Teachers' Institute - An Institute for Grade I teachers is to be held in Stony Plain on Friday, May 22nd and about 19 teachers from the County of Lac Ste. Anne are expected to attend.

(c) School Budget - He would like a meeting of the Budget Committee to complete the school budget as soon as possible.

It was moved and carried that the Assistant Superintendent's report be accepted.

It was moved and carried that all School Committee members, the Superintendent, Assistant Superintendent and Assistant Secretary-Treasurer be authorized to attend the A.S.T.A. Zone meeting on Friday, May 29th.

GUIDANCE COUNSELLOR

The following letter was received from the Principals' Association regarding the services of the Guidance Counsellor.

"At the April meeting, the Principal's Association discussed the values of Mr. McDowell's services as Guidance Director for County schools. The following recommendations were made:

a) That the Principals were generally well pleased with Mr. McDowell's services.

b) That there is a specific need to refine guidance services, especially at the larger schools.

c) That Mr. McDowell be involved less in discipline cases as

these tend to undermine his usefulness as a Guidance Counsellor.

d) That Mr. McDowell's role be more that of advisor to school staffs rather than a travelling counsellor."

It was moved and carried that the letter from the Principals' Association be received for information.

It was moved and carried that annual track meet grants of 10¢ per pupil be made with a minimum of \$25 per track meet.

TUITION AGREEMENT

A meeting was held in Evansburg High School Gymnasium on Thursday, May 7th.

It was moved and carried that Mr. R. A. Bailey and Mr. George Mann act on the Committee to draw up a long term tuition agreement with the Yellowhead School Division for students from the west end of the County to attend the new proposed high school in Evansburg.

MAINTENANCE SUPERVISOR'S REPORT

Mr. E. W. Hillyer presented the following report to the School Committee:

1. What is to happen to the old teacherage at Wabamun?

2. What is to happen to the teacherage at Keephills?

3. Leveling and filling grounds at Entwistle and Duffield Schools.

4. Hiring of part time help for the summer to assist on the buildings and grounds. Can I do this as required? And what wage can I pay?

5. Spruce Grove new school caretaker - Can this position be advertised for soon as I feel we will need a man there a month ahead of school opening? The job requires a person with considerable experience in heating systems, or relative fields.

6. Holidays for permanent staff. Can I arrange these with the men?

It was moved and carried that the Wabamun Fire Department be requested to dispose of the old teacherage at Wabamun and that they be cautioned to save

Some of the Cadets, Officers and Canadian Legion members present at the recent inspection of the Alder Flats Cadet Corps are shown above. From the left, F. Maxwell, Les Dominey, A. Foster, L. Oulton, Ed Krukowski, Capt. W. Wynnk, and Cadets Sorensen, Jackson, M. Oulton and W. Oulton.

the spruce trees.

It was moved and carried that Regional Recreation be approached to see if they have any use for the old Keephills teacherage.

It was moved and carried that Mr. R. Lent be delegated to inspect the Duffield school grounds and report back to the School Committee.

PART TIME SUMMER HELP

It was moved and carried that Mr. E. W. Hillyer, in consultation with the Assistant Secretary-Treasurer, be authorized to hire part time help when necessary at the current Public Works rates.

It was moved and carried that the Maintenance Supervisor's report be accepted.

PLAYGROUND EQUIPMENT

Mr. R. Lent presented lists of playground equipment at the Duffield and Keephills schools: Duffield; 2 teetertotters; 1 slide; 1 set volleyball posts; 2 basketball poles (no backboards or rings); 3 baseball backstops; and 2 soccer goalposts.

Rocks and rough ground conditions precludes use of most of sportsground area. Keephills; 1 set goalposts; and 1 tether ball pole.

It was moved and carried that applications be invited for the caretaking of the new Spruce Grove School.

PARKING-SPRUCE GROVE SCHOOL

It was moved and carried that it be recommended to County Council that Public Works be requested to hard surface the parking area in front of the new Spruce Grove School.

It was moved and carried that the Public Works department be allowed use of the Sewer Truck for the summer.

It was moved and carried that transportation be provided for the beginners who will be commencing school in Devon on September 1, 1970 for 3 weeks, commencing Monday, June 8th.

It was moved and carried that the minutes of the May 5th meeting be amended to show that the Grade IX results in Drayton Valley compared favorably with the Provincial average.

It was moved and carried that the 2 electric stoves from the Frank Maddock and Seba Beach High Schools that are due for replacement be purchased from Calgary Power at \$162 each and that new self-cleaning stoves be not considered at this time.

Mr. Peter Bakker and Mrs. Elizabeth Howerly registered negative votes.

It was moved and carried that Mr. R. Doucette be hired as a Painter's Helper at a salary of \$400 per month effective April 13, 1970.

It was moved and carried that Clifford Smith's resignation as Assistant Janitor of the Stony Plain Junior High School be accepted.

It was moved and carried that the Drayton Valley Chapter of the A. A. R. N. be authorized to use the Frank Maddock High School gym on Saturday, May 30th for a seminar at a charge of \$4.00.

REPORT ON WABAMUN LIBRARY

Mr. R. Lent reported that he has been at the Wabamun School

and found that they have no library facilities. Books are taken from room to room in a grocery cart.

A letter was received from Mr. and Mrs. Arthur Welk, caretakers of the Tomahawk School, requesting that their contracts be reversed; that is Mrs. Lenora Welk to be head janitor and Mr. Arthur Welk to be assistant janitor.

It was moved and carried that

the change of Mr. and Mrs. Arthur Welk to have their contracts changed be tabled.

### Bible School

Drayton Valley Bible School will be held in the Church of God from June 29th to July 3rd, at 7:00 p.m. Parents are asked to pre-register their children by phoning 542-2405 or 542-3764.

## Thank You

The Wetaskiwin District Association for Mentally Retarded wish to thank all those who so kindly donated to our Association on our Blitz Night, May 13th. The monies from this drive and the drives in Ponoka and Wetaskiwin go into our Residence Building Fund and in the maintenance of our school.

A special thanks to Mr. and Mrs. Frank Andrews who organized the drive and to their canvassers.

# SWIMMING POOL SCHEDULE OUTLINED

## EARLY BIRD

Daily Monday through Saturday, 6:30 to 7:30 a.m. Contact Mrs. R. Steeves at 542-3516.

## NEPTUNE

This is a competitive swim club in which anyone in good physical health may join. All candidates 8 and under must be able to swim one length of the pool and the rest must be able to swim two lengths. Pick up registration forms at the swimming pool. Begins June 1 at 5:45 p.m.

## TINY TOT

Swimming Lessons. Orientation of pre-schoolers to the water. Instruction in basic skills of swimming given primarily to mothers in order that they can help their children. Tiny Tot must be accompanied by a parent. Lessons run from June 8 - 19 and June 22 to July 3, from 12:15 - 12:45 p.m.

## ADULT LESSONS

9:00 to 10:00 p.m. beginning June 22 to July 3; July 6 to July 17; July 20 to July 31; August 3 to August 14; August 17 to August 28.

## LEADER CORPS

This is a volunteer group who give freely of their time in the performance of certain duties in relation to swimming pool operation. It is considered as a training ground for future lifeguards and swimming instructors. Applications into pool office by June 14th. Candidate must be 18 years of age and have qualified at the Red Cross Intermediate Swimmer level.

## SCHOOL SWIMMING

Starting May 25, 9:00 to 3:30, Monday through Friday. There will be grades 5, 6, 7 & 8 from the Separate School, grades 6, 7, 8 & 9 from D.V.J.H. and grades 10, 11 & 12 from Frank Maddock High School. The school swimming will be divided into groups of beginner, intermediate and advanced swimmers. Although they will not be examined they will be allowed to come in during the summer on a regular test day and be examined. They are to get in touch with the pool at least a week ahead of time.

## COUNTY OF PARKLAND

## SWIM PROGRAM

18 lessons by qualified instructors in the Red Cross program. First set of 18 lessons July 6 to July 24. Second set August 3 to August 21. Your classes will be at the Drayton Valley pool between 8:00 and 9:00 a.m., Monday through Saturday.

## OTTO HANSEN DISPERSAL

Looks like work and it certainly was at the Hansen Dairy Farm on May 18th, 1970.

Shown in the picture is Debbie Hansen, daughter of Mr. and Mrs. Hansen and Robert Gould of Camrose U of A student on staff of Leeder Auction Service - cattle were trimmed and de-horned for the Dairy Sale on Saturday, June 18th, 1970 at 11:30 a.m.

There will be 53 head of Holstein A-1 Cattle with upwards of 7000 pounds of cream or milk Government quota --

Don't miss this Top Grade A-1 Cattle Dispersal -- Otto is intensifying his hog operation and the cattle are going by Auction.

Drop in early and see these dairy cattle and make your choice or just to say hello on Sale Day.

Leeder Auction Service, who specialize in dairy sales will be on hand, complete with gate prizes and the Moon Lake 4-H are having a scrumptious lunch.

# Summary Regular Meeting County Development Board

Minutes of the regular meeting of the Interim Development Board of the County of Parkland No. 31 held in the County Office on Wednesday, May 13th.

Members present were Reeve Leslie N. Miller, Deputy Reeve Rudolph Zander, Councillors George Mann, Ivan Vowk, Roy Lent, Peter Bakker, Robert A. Bailey, R. N. Giffen, Executive Director, Edmonton Regional Planning Commission; Gerald Repecka, Development Control Officer, County of Parkland No. 31.

John St. Martin was present regarding the leasing of the park reserve on Pt. SW 25-51-27-4. Refused as he is not a resident of the subdivision.

Proposed subdivision SW 10-53-1-5 by Stanton Developments of Edmonton. Approved subject to \$200 for each approach to be deposited with the County.

Proposed subdivision SE 17-52-27-4 by Mr. B.E. Fuhr of Spruce Grove. Approved subject to the road to be constructed and gravelled the entire length of the proposed 2 parcels, and park reserve to be deferred with an agreement.

Proposed subdivision SW 16-52-27-4 by Hendriks Van Dijk of Spruce Grove. Approved subject to the construction and graveling of the interior roads and approaches, re-location of the interior road and park reserve.

Proposed subdivision SW 8-53-1-5 by M. Bartsch of Beach Corner. Adjustment of the boundaries approved.

Proposed subdivision SW 9-53-1-5, Lot 5 & 8, Blk. 3, Plan 2939R.S. by Ewashen of Edmonton. Adjustment of the boundary approved.

Proposed subdivision SE 12-51-27-4 by Morris Robinson of R.R. 5 Edmonton, Peter and Ron Esch. Tabled for inspection.

Proposed subdivision NW 8-51-26-4 by George Thompson of Edmonton. Tabled for inspection.

Proposed transfer NW 6-52-25-4 by Mr. L.M. Kulak of R.R. 5, Edmonton. Approved subject to \$200 to be deposited with the County for the approach.

Proposed subdivision SE 2-53-2-5 by Erwin Albert of Stony Plain. Tabled for inspection.

Proposed subdivision SW 16-51-26-4 by L. McCook of Edmonton. Approved subject to the construction and graveling of the inter-

nal roads and approaches, park reserves to be changed to lots 6, 7, 8, 9 to make 16 acres, dedication of the north and east side roads, and the 48.5 ft. on the east side.

Proposed subdivision NW 29-51-25-4, Parcel D, Plan 1871M.C. by Kruger Property Developments. Tabled to await a new submission.

Proposed subdivision N $\frac{1}{2}$  8-51-25-4 by N.R. Mattson of Edmonton, Mr. Kuch. Approved subject to the construction and graveling of the internal roads and approaches, 100 feet of right-of-way running from the west boundary of the quarter to the 83 acre parcel to be consolidated in that title, roads to have 100 R/W and a 150 ft. turn around, interior loop road to be entirely constructed. Road widening to be negoti-

ated by the County.

Proposed subdivision SW 33-51-26-4 by G.W. Nobles of R.R. 5, Edmonton, Steve Cherwonick.

Approved subject to the construction and graveling of the interior roads and approaches, 10 ft.

buffer strip to be dedicated on the north boundary, 100 ft. dedicated between parcel 7 & 8 to the quarter line, each parcel to have an adequate building site, and park reserve to be inspected by the recreation department.

Proposed subdivision NE 34-51-26-4 by Sunset Investments of Edmonton. Approved subject to the construction and graveling of the internal roads and approaches, park reserve to take in the creek.

Proposed subdivision SW 26-51-26-4 by D. Molofey of R.R. 5.

(Cont. on Page 16)

## MAGNOLIA NEWS

The May picnic was held on May 18th at the Magnolia sports ground. Baseball games were played by the pee-wees, the ladies and the gentlemen. The pee-wees and the ladies played Entwistle. The Magnolia ladies won by a score of 21 to 11. The local pee-wees lost to Entwistle by 16 to 1. The bingo and races were well patronized to the enjoyment of many. Both booths were very busy and workers put in many active hours. The lovely table cloth made by Alma Roth was won by Orris McWilliams. The second raffle for the \$10 bill was won by Mr. and Mrs. Terpstra's married daughter, who lives in Calgary.

The senior men played their second baseball game at Onoway on Sunday. The score was 7 - 6 in favor of Onoway.

Mr. D. Churchill welcomed visits from his son, Charles and a friend of Calgary for the long weekend. Another son, Dave, and his wife Ann and their two children, all of Barrhead, visited on Sunday.

Grace Anderson, Bonnie and Julie; Jim, Shril and Darcy Anderson; and Miss Sharon Rose

spent the long weekend with Allan and Brenda Walker and with Don and Connie Rose. They also took in the picnic. It is nice to see former residents back again.

Another former resident, Charlie McCracken, was renewing acquaintances at the picnic.

Don and Connie Rose have had their trailer home moved from Edson to the Walker farm where they will reside for a while.

Miss Mary Waddell was fortunate enough to secure work in Stony Plain.

Everyone has heard of birds laying eggs, but now Mrs. Charles Anderson's gold fish is the proud mother of about 50-75 tiny gold fish. The eggs hatched in approximately a week.

Home for the weekend with Mr. and Mrs. Ray Storms were Phil and Shirley Storms and family of Phoenix, Arizona; Pat and Ernie Stables and family of Drayton Valley; Fred and Marilynne Larson and family of Grande Prairie.

Our community will just have to get along without Betty McDougall for a month as she is staying at the Oliver home in Entwistle while they are away.

## JUST BEING "HARMLESS" MAY NOT BE ENOUGH

The fact that a food additive proved harmless might not be enough to satisfy government agencies in the future, according to Ross A. Chapman, director-general of the federal food and drug directorate, reported in Canadian Grocer business magazine.

Manufacturers could be required to prove that any additive makes a significant contribution to the quality of the food or improved its nutritive value or increases the quantity of the food, he said.

He predicts that future food

additives will be made by modifying the molecules of natural products; for example, sugar or amino acids. He reports that a synthetic sweetener, about 130 times as sweet as sugar, is currently being tested in the U.S. and that it is derived from amino acids.

Special water safety tip. Warn your children of the dangers of playing near ponds, construction sites, water holes, docks and ditches. Keep open wells covered. Remember - most drownings take place within 10 feet of safety.

## MEIER'S TRAVEL BUREAU

## The Homemaker

Mrs. Sheila Brown

"Good farming, right living and clear thinking".

Nominations are now open for the 1970 Alberta Master Farm Family Awards. Nomination forms and complete information are available from the District Extension Offices at Stony Plain and South Edmonton.

The maximum number of awards is again limited to five. One may be selected from each of five zones. However, two could be chosen from one zone, if there were no qualifying families in another. The Master Farm Family Award is the highest honor that the Department of Agriculture can bestow on an Alberta farm family. The standards of selection are high, making this a meaningful farm family award. This program was designed to honor farm families who have achieved notable success in farming, homemaking and citizenship. Families selected demonstrate practices that ensure farm and family progress and by their example draw attention to the opportunities and high ideals of agriculture and rural living.

Nominations for the Master Farm Family Award must be proposed and signed by at least three neighbors, accepted by the nominee and filed with the District Agriculturist or District Home Economist by June 30, 1970.

The nominees will be judged during the summer. The Master Farm Family Award includes a suitably engraved plaque, a gate sign and \$1,000 cash.

Local organizations are invited to assist in locating suitable candidates.

## Who is an Alberta Junior Citizen of the Year?

Anyone between the ages of 6 and 16 who has been nominated for courage, leadership, initiative and good citizenship can win a coveted Alberta Junior Citizen of the Year Award. The act for which they are nominated must have been performed between August 1st, 1969 and July 31st, 1970.

A winner in 1969 was Lorne Trotter, aged 15, who overcame the physical handicap of polio to lead his community's Walkathon to raise funds for the Canadian Legion - and after completing the 25-mile walk Lorne, who has a pin in his ankle and a fused vertebra, went to a celebration dance.

Use this handy form, or write or phone your local weekly newspaper editor. Please send full details on a separate sheet of paper.

## Development Board Regular Meeting

(Cont. from Page 15)

Edmonton. Approved subject to the construction and graveling of the internal roads and approaches, park reserve inspection by recreation department, one approach to east-west road on the south, 100 ft. dedicated to quarter line on lot 20 and road built only to allow approach to Lot No. 27.

Appeal of Development Control Officer's decision to remove a partially erected garage on Lot 21, River Valley Country Estates by D. Harding and E. Deeds. It was agreed to let Mr. Harding erect his garage provided it was completely finished and designed to match the exterior of his dwelling house.

Notice of motion that future subdivisions containing more than 3 parcels have power supplied to each lot before final approval is given to the subdivision.

Glen Smith, Gary Santini, and Brian Cooper, present regarding proposed trailer court in the NE 1-53-25-4. Referred to the Edmonton Regional Planning Commission for comments.

Proposed subdivision SE 1-52-27-4 by Mr. John Fuhr of Spruce Grove, Mr. Jerry Harlton. Approved subject to re-design, construction and graveling of the interior roads and approached on 100 ft. of R/W, park reserve to be inspected by the recreation department. Road widening to

be negotiated by the County.

Proposed subdivision SW 22-53-25-4 by Johan H. Johansen of Edmonton, present. Approved subject to City of Edmonton approval, construction and graveling of the internal roads and approaches, park reserve to be inspected by the E.R.P.C.

Proposed subdivision Pt. SW & Pt. SE 17-51-25-4 by W.R. Wilkin of Edmonton. Approved subject to the construction and graveling of the interior roads and approaches, consolidation of the 2 northeast parcels, and recommendations of the E.R.P.C.

Application for extension of the time granted for the temporary parking of the trailer at the Holiday Motel, Winterburn by C.A. Staines. Extension refused.

It was agreed that the development control officer is to write the Department of Highways and have them clarify their policy on mobile homes adjacent to highways.

Proposed subdivision SE 15-52-27-4 by Bruce E. Fuhr of Spruce Grove. Approved subject to \$200 for each approach to be deposited with the County, E.R.P.C. to inspect to find whether park reserve is now required.

Proposed transfer NW 31-53-27-4 by George Gamble of Spruce Grove. Approved subject to \$200 for each approach to be deposited with the County.

Mr. M.M. Bradley, Public

Works Manager, was present at the meeting regarding subdivision policies.

Proposed subdivision SE 8-53-1-5 by H.E. Forss of Edmonton. Approved subject to re-design, internal roads and approaches constructed and gravelled by the owner, inspection of Park Reserve by Recreation Department, County to negotiate for road widening.

Proposed subdivision SW 20-53-25-4, Lot 1, 38-Q-216, Plan 138Y126 by Gordon Knox of Edmonton. Approved subject to the consolidation of the titles.

Proposed subdivision NW 3-53-4-5 by J. Komarynsky of Wabamun. Tabled for inspection.

Proposed subdivision SW 20-53-26-4 by Gordon Welburn of Winterburn. Approved subject to \$200 to be deposited with the County for the approach, 42 ft. of R/W to be negotiated for by the County.

Proposed transfer SE 13-52-28-4 by Mr. Henry Giese of Stony Plain. Approved subject to \$200

to be deposited with the County for the approach.

Proposed subdivision S $\frac{1}{2}$  25-53-6-5 and all of Fraction L.S. 8-26-53-6-5- by Ross Stefanik of Edmonton. Approved subject to the construction and graveling of the interior roads and approaches, park reserve inspection by recreation department and recommendations of the E.R.P.C.

Proposed subdivision SW 7-53-25-4 by Anthony Wincentayto of

Winterburn. Approved subject to \$200 to be deposited with the County for the approach.

Application to lease 100 ft. R/W between lots 27 & 28, Birch Hill Park, SE 34-51-26-4 by E. Vanderburg. Lease approved subject to it being a yearly renewable and priced at \$1.00.

Proposed trailer court N $\frac{1}{2}$  8-53-25-4 by L. Trueman of Winterburn. Referred to E.R.P.C. for comments.

# SEBA SUPER SEVENTIES

MRS. W. E. CAMPBELL  
Magnolia

Art in every medium of expression is destined to be a focal point of the Seventies. This could be surmised from observations of the many art forms on display at Seba Super Seventies, the school fair. They ranged from the art of dissecting an electric motor to the art of stabbing the principal in view of witnesses and escaping scot free.

After following a trail of mysterious orange footprints up to the auditorium door, one fell immediately into the clutches of Dracula's assistants, trained by the Master himself. Generally, Margaret Ulvestad and Cecile Fontaine are normal students, if a little fond of biology. However, night sparks a definite reaction in them. Eagerly they drained blood samples from the rather surprised gathering. These were supposed to be used for blood typing. Judging from the number of very pale people walking, or more correctly, staggering, around, something else was happening in that front corner.

Those people who were fortunate enough to escape to the next display appreciated the sander attractiveness of Alberta as portrayed in the travel pictures and posters.

People were a little leary of approaching the other front corner after the traumatic experience of the first. Those who did, however, were variously amused, pleased and surprised to have a microphone appear in front of them and to see themselves on the closed circuit television filming process, the exhibit was both intriguing and educational.

On a somewhat quieter theme, the library display captured the attention of many. The groupings of books, both old and new, reflected the quality and variety of the Seba Beach Community and School library.

The Arts classes, under the guidance of Mr. Gardiner, employed several mediums, including lino-prints, pastels, and ink sketching, to portray components of their worlds. Many of the pictures showed high potential.

A budding portrait artist, Ericka Grundke, displayed, among others, a number of sketches of classmates.

Several articles made of braided baler twine, together with samples of various braid types, were displayed by Shannon Camp-

Visitors engrossed in the library display

bell.

Exclusive dialogues from the Voice of French Seba were heard on tape. Either they were planning separatist activities (is French 10 too large for one class?) or a party after the Graduation Dance, but the non-French speaking in the crowd are still wondering.

Non-mechanics speaking people are perhaps wondering, too, how Ralph Homme and John Lang are going to get their motor back together. We didn't count the pieces, but somebody likely put three more in just to confuse the issue. Those folks who appreciate the better qualities of motors approved of the detailed information and the opportunity to examine all parts at one time. Now when the family car starts to whistle merrily, we can be sure that it is not because of the girls walking down the street.

Those students who fail biology can always take up jewelry making. The bioplastics equipment, from the various molds through the hardening oven to the polishing apparatus, can be used to make most unusual ornaments. It is also handy for preserving specimens of frog and fish dissections, for those who

like to do things the proper way. On display were a number of molds in various stages of construction and some finished products, together with the equipment required for the process. Demonstrations were given throughout the evening.

Office machines and procedures have slowly metamorphized into their present forms. The typewriters on exhibit certainly presents a sharp contrast, one was a modern IBM, the other was the one Noah used to type his weather forecasts on. Among the samples of modern office forms and letters was a piece of art typing attracting attention. It was a typed picture of a very lively cat.

Mr. May's geology display was a pleasant sight for those who were still a bit alarmed by corners. Many rock samples, polished jewelry samples and gold-panning equipment provided an incentive to get out and find what is just lying around waiting. Most of the display stones were local types discovered by Mr. and Mrs. May.

If anyone is interested in the art of horse-training, Don Congo is the man to see. His display consisted of equipment and literature on the subject.

Roger Kulhawy believes in the outdoor life. His exhibit was made up of a most intriguing coffee table made with animal horns for legs, together with hunting apparatus.

How to bring alive a subject for the students is a problem faced by all teachers at some time. Mrs. Thiessen's grade 3 class prepared a display which reflects their enthusiasm for their curriculum. The subject was Canada's north country. Included were slides of the villages and scenery, letters from Grade 3 students at Inuvik and other towns and photographs from the north. It was a fine effort on the part of both teacher and students.

The Arts flourish among the young people. On tables in the centre of the gym were oil and velvet paintings, Hobby Club projects, a log cabin model, sewing projects, various collections, a very live rabbit, and other interesting, informative and attractive displays.

An interest in the current space exploration was shown by a display of a model space molecule and simulated moon terrain as well as posters done by junior classes. An interest in shock appeal was displayed by students who demonstrated that a few thousand volts does get a very satisfying reaction.

Roger Kulhawy seems to have an affinity for bars -- parallel bars. At intervals during the evening, he demonstrated various gymnastic techniques to an appreciative crowd. Upside down seems to be a favorite position.

Seba Super Seventies was held on Friday, April 17th. It was attended by 250 - 300 people. The community and parents were able to view the pro-

School Fair organizer K. Thiessen.

jects of the school populace; the students and staff displayed their efforts; greater appreciation was gained on both sides. In that, organizer, K. Thiessen feels it was a success.

At the right is Mrs. Helen Haggart, holding an ashtray, hand-made of native woods by Legion member Frank Pye and presented to the branch in memory of Mr. Pye and Mrs. Haggart's father, Mr. Percy Pye.

## BERRYMOOR NEWS

Your correspondent got too involved over the Victoria Day weekend to get any news written so will try to catch up this week.

Mrs. Helen Anderson of Berrymoor and her sister, Mrs. May Jorgenson of Warburg put on a Mother's Day dinner at Mrs. Anderson's home for their daughters and their families. In all, there were 31 people present and all had an enjoyable time.

Congratulations to Mrs. Helen Anderson for her efforts in the Miles for Millions March held recently from Drayton Valley bridge to Alsike. She made eleven miles.

Gary Lindahl and his chum flew to Ontario recently to pick up a drag racing car and drive it back home. Their route back took them through the U.S. They entered a race en route and won, complete with a trophy. Looks like they have gotten off to a very good start. Best of luck to you.

The Berrymoor ferry is once again in operation.

Belated congratulations to Mr. Jim Lawson who is the new manager of Crown Lumber in Drayton Valley.

Congratulations to Mr. and Mrs. Ed Roberts who were married recently. The marriage took place in Drayton Valley and the reception and dance were held in the Lindale Hall.

Quite a few Berrymoor residents gathered at the home of Mr. and Mrs. Roy Lawson on the evening of May 14th to stage an old fashioned chivaree and have a social evening in honor of Mr. and Mrs. Peter Malafney, who were married recently.

Mr. and Mrs. Dennis Schwartz and Mr. and Mrs. Max Schwartz motored to the B.C. coast for a short holiday.

Mr. Philip Reznik left by plane on May 22nd for the Argentine to visit his brother, whom he has not seen since the 1920's.

Lloyd Famel has returned to Alberta after spending quite some time with relatives in Ontario.

Get well wishes to Mr. O.

## RAMONA NEWS

Sincere sympathy of the district is extended to Mrs. F. Schmidt and family and to Dave, Sherry and family on the death of their son and brother, Marvin Schmidt.

Members of the community are reminded that membership dues must be paid by June 30th. Our monthly meeting is next Tuesday, June 2nd, so come to the meeting and renew your membership.

Get well wishes to John Norton who is in Edmonton General Hospital.

Congratulations to winners of the last bingo. They were Lyla Davidson, Jean Lang and Anne Karach winning the raffle prizes and Lyla Davidson, Evelyn Jensen and Olga Mulyk won the door prizes. Our next bingo will be Tuesday, June 9th. The jackpot will be \$155 at Whitby's bingo on Thursday, June 11th.

Marion Kmyta drove Brisebois car in the powder puff derby on Sunday at Triple B Oval. We have heard she came in either 4th or 2nd, whichever it was, it was good work Marion.

### Plan Extension Tennis Lessons

Due to the overwhelming response to the Monday night tennis lessons, Mr. Felix Hardeman will be available to give lessons on five consecutive Saturdays for a fee of \$8.00. The lessons will be one hour long between 8 a.m. to 4 p.m., and he desires two persons only per hour. Registrations are limited. Contact Jeff Wardlow at 542-3052. Lessons start this Saturday, May 30th.

Avoid this risk - never let children play with inflated toys in open water. A light breeze can soon carry both child and toy out of reach.

## Former Prize Fighter To Conduct Services

Evangelist Sam Jenkins was born in Plaster Rock, N.B., in 1917. When he was 18 he began to work in the B.C. logging camps. Shortly after that he began his career in Vancouver as a professional boxer, his manager being the famous Tommy Burns, former Heavyweight Champion of the world. Sam's right hand was rendered useless, as far as boxing was concerned, through an accident. His fight career thus ended prematurely.

He went to the shipyards next, and in 1945 he was elected to the position of Business Agent of the Boilermaker's Union. He held down a full time position in

his union for over 16 years.

In 1951 Sam had an experience with Christ at an A.C. Valdez evangelistic crusade that was to change his life. Ten years later he resigned his position as President of the Marine Workers and Boilermaker's Union to go full time as an evangelist with the Pentecostal Assemblies of Canada.

Since that time, Evangelist Sam Jenkins has travelled extensively in both the United States and Canada.

Sam is also a recording artist, having produced four long play records. He writes his own songs and then sings them in a country style. You won't want to miss any of his meetings which begin May 26th through 31st at the Drayton Valley Pentecostal Church. Service time is 7:30 p.m.

Following are the winners of the Drayton Valley Tournament held at the Golf Club last weekend. Winners names are followed by runner-up, consolation and medalist respectively.

Championship Flight: Ken Gills, Howard Ganske, and G. Humphreys.

First Flight: Billy Rose, Jim Crough, Ken Machan, and Hank Shimbashi.

Second Flight: Al Hopfe, Howard Jevne, A.J. Tait, and Bruce Longley.

Third Flight: Howie Jespersion, Al Anderson, Bill King, and D. Larsen.

Fourth Flight: Al Young, D. Gamble, L. P. Kane, and N. Urchishyn.

Fifth Flight: Angus Laurie, Clayton Ness, Lloyd Hagen, and Rick Tuffs.

Sixth Flight: Bill Tuttle, R. Raugust, Larry Farkas, and Bob Heyland.

Seventh Flight: Stan Kondratuk, D. Meraw, Len Cyca, and N. MacKenzie.

Eighth Flight: Lorne Pinkoski, Les Hutchinson, Dave Wakal, and Mike Kelly.

### Confirmation Service

Archbishop Anthony Jordan of the Catholic Archdiocese of Edmonton will be in Drayton Valley Sunday, June 7th to administer the sacrament of Confirmation. Catholic adults who are not confirmed are asked to contact Fr. Lynch at 542-3254 as soon as possible.

### HOW NOT TO OPERATE A PRINTING BUSINESS

Bill Forbes, editor of Canadian Printer & Publisher has been scanning the auditor-General's inventory of the six Queen's Printer bookshops across the country and, to put it mildly, there's been some over-stocking.

The A.G.'s report says that of 4,800 copies of Fishes of The Atlantic Coast, printed in January 1967, fully 3,705 remain on hand with a retail value of \$31,000.

Rideau Hall, an illustrated History of Government House became available in June 1967 with a press run of 8,000 copies and a retail price of \$12; 7,000 remain on hand. Flora Of Manitoba (plants, not a Scottish lady) is a 600-page book printed in 1957. There were 1,283 copies on hand in 1965 and there are still 1,150 copies in stock.

Stocks of photographic slides bought in Europe with good Canadian dollars, sporting titles like Egypt - Paintings From The Tombs And Temples, and Toulouse Lautrec, are still on hand to the tune of 8,913 sets with a retail value of \$38,000.

In two years the Queen's Printer book-shops sold only 100 sets of slides of Canada's Parliament and they still have 1,500 sets on hand, with a retail value of \$9,000. The present retail value of books and slides on hand is slightly over \$7,000,000.

Editor Forbes asks: "Could you run your business like that?"

### SEKURA AUCTIONS

#### MARKET REPORT

Sekura Auctions Market Report for Wednesday, May 20th.

There was an average run of cattle on offer for the feeder cattle and bull sale.

Good stock steer calves 37.00 to 45.00 per cwt., light ones to 51.00 per cwt.

Good heifer calves 34.00 to 38.00 per cwt., light ones to 45.00 per cwt.

Good yearling steers 31.00 to 37.00 per cwt., depending on weight.

Good yearling heifers 29.00 to 34.00 per cwt.

One purebred Charolais bull contributed by Carl Maciborski of Winfield sold to George Schadeck for \$710.00, topping the bulls sold.

Good baby calves sold from \$60.00 to \$88.00 per head.

Weaner hogs traded from \$12.25 to \$17.00 per head.

#### VACATION PLANNING?

Drayton Valley Stores have everything you need for a great family holiday.

Will the biplane (a) get the mail through in time?

Will the express train (b) stop before it reaches the missing track?

Will the Indians (c) attack the stagecoach (d)? Or the speeding Hupmobile (e)? And that House on the hill (f)...

What's going on up there?

The Pilsner label raises many exciting questions. But there's never any question about Pilsner Beer. In Lethbridge, it's still made by men who take time to brew and age beer in the traditional way. We're not about to change either: the label or the beer.

AFTER THE FAMOUS FORMULA OF THE HOUSE OF LETHBRIDGE

### RESCUE BREATHING (MOUTH-TO-MOUTH)

THE CANADIAN RED CROSS SOCIETY

*Start immediately: The sooner you start, the greater the chance of success.*

**Open airway** by lifting neck with one hand and tilting the head back with the other hand.

**Pinch nostrils** to prevent air leakage. Maintain open airway by keeping the neck elevated.

**Seal your mouth** tightly around the victim's mouth and blow in. The victim's chest should rise.

**Remove mouth.** Release nostrils. Listen for air escaping from lungs. Watch for chest to fall.

REPEAT LAST THREE STEPS TWELVE TO FIFTEEN TIMES PER MINUTE.

IF AIR PASSAGES ARE NOT OPEN: Check neck and head positions, CLEAR mouth and throat of foreign substances.

For infants and children, cover entire mouth and nose with your mouth. Use small puffs of air about 20 times per minute.

USE RESCUE BREATHING when persons have stopped breathing as a result of: DROWNING, CHOKING, ELECTRIC SHOCK, HEART ATTACK, SUFFOCATION and GAS POISONING.

*Don't give up. Send someone for a doctor. Continue until medical help arrives or breathing is restored.*

## Alberta Dairy Queen Applications Invited

Applications are now being accepted for a new Alberta dairy princess. She will be chosen at Edmonton's Klondike Days in July.

The present dairy princess, Marilyn Gray of South Edmonton, will represent Alberta in the Canadian Dairy Princess competition in Toronto this fall. Albertans have won this national title three times in the last four years. The present Canadian dairy princess is from Saskatchewan.

Between now and this fall, Marilyn will be busy promoting dairy products throughout Alberta. She will be telling consum-

ers of the many ways dairy products can be used and encouraging them to make dairy foods daily foods. Her promotion activities will include demonstrations in stores, radio and television interviews and appearances and articles in newspapers and magazines.

Anyone interested in competing for the 1970 Alberta Dairy Princess title can obtain information and application forms from her district home economist, dairy creameries and the departments of agriculture and youth.

Applicants must be single and between the ages of 17 and 25.

They may live off the farm while attending educational institutions or working. During the competition they will be asked to use a milking machine and they will be questioned on the dairy industry. Emphasis will be placed on poise and personality.

The winner, who will be expected to represent the dairy industry at a variety of functions during the next year, will receive a number of special prizes.

The Alberta Dairy Princess Competition is sponsored by the Alberta Dairywomen's Association, the Alberta Milk and Cream Producers Association and the Edmonton Exhibition Association.

Medals were won by Dean Samis with 20 points, Cheryl Daviduk with 17 points and Garry Swendseld with 15 points.

## Witnesses Plan Convention Here

All meetings this week of the local congregation of Jehovah's Witnesses have been cancelled in preparation for a three-day convention being held at Centennial Civic Centre in Drayton Valley next weekend, June 5-7, according to Mr. Thomas Moss, presiding minister.

The convention will be similar to the one held in Drayton Valley two years ago when 947 delegates attended from points in North-Western Alberta. Twenty convention departments are now beginning the task of providing housing, cafeteria and other needs for approximately 900 delegates.

Mr. Moss has the responsibility of finding accommodation for delegates coming from surrounding areas such as Jasper, Barrhead, Edson, Evansburg, Edmonton, Hinton, Whitecourt and Busby. "Hotels and motels are booked to the limit", said Mr. Moss, "and we have a number of delegates assigned to stay at private homes in Drayton Valley vicinity." Provisions are also available for campers and trailers.

Mr. Roy Strand, will be in town this week directing activities of the three-day conference.

Ordained as a minister in 1943, he was appointed as circuit supervisor of Jehovah's Witnesses in 1950 and has served in that capacity in most Provinces across Canada.

While in Drayton Valley, Mr. Strand is supervising twenty service departments in the tremendous task of providing accommodation and other needs of the delegates.

Included in the program will be dramatizations, interviews and lectures on effective methods of personal evangelism.

Saturday morning at 9:15 a.m. will see the water baptism of new ministers.

The climax of the convention program comes on Sunday at 2 p.m. when Mr. Ernest Funk, a visiting delegate from Toronto will deliver a public address entitled "Withstanding the Pressures of Our Day".

All sessions of the convention free to the public.

A special feature of the convention weekend will be a free color film "Everlasting Good News" in the Cadium Theatre at 7:30 p.m. on Wednesday, June 3rd.

### NECKTIE SALES BOOM

When times are tough, as in the current pinched money situation we are now facing, says Robert Webb, editor of Men's Wear of Canada, "the neckwear business is good." When money is tight, Webb says, a man may hesitate to buy a suit. He'll make do with what he has but buy himself a new shirt and a couple of ties. The same with his wife, it seems. She may not have the money to buy him a bathrobe or an expensive sweater for his birthday. Instead, she'll settle for a couple of ties.

Mr. Roy Strand

### No Boulevard Trees 'til Fall

At a recent meeting of Town Council it was decided that no planting of boulevard trees by town employees would be undertaken until the fall.

However, homeowners who would like to plant and care for trees on boulevards are welcome to do so. Council, however, pointed out that planting must conform to the adopted plan and anyone interested in such an undertaking should contact Town Engineer Bill Tuttle regarding type of trees and spacing required.

## D.V. Flying School Club MEETING

Wednesday, June 3rd, 1970 8:15 PM.

DOWNSTAIRS in the DRAYTON VALLEY TOWN OFFICE

Learn to Fly for \$26.00 per month

PHONE J. BOOTSMA - 542-4411

For Further Information

HAVE YOU ANY QUESTIONS?

HERE ARE SOME ANSWERS . . .

**WHO CAN LEARN TO FLY?**  
Anyone who is physically fit, Boys and Girls.

**HOW DO I BEGIN?**  
You must have a medical by an approved Department of Transport doctor; this is done at the beginning of your course. A list of doctors will be provided upon request.

**HOW LONG DOES IT TAKE TO LEARN TO FLY?**  
Usually 1 to 3 months, but the approved course must be completed within one year.

**HOW MANY HOURS OF TRAINING ARE NECESSARY?**  
An approved course includes a minimum of 35 hours of flying and 20 hours of Ground School instruction.

**IS ANY OF THE FLYING DONE SOLO?**  
Yes. You must fly at least 12 hours dual with an instructor and at least 12 hours "solo" - you alone in the airplane.

**DO I HAVE TO WRITE ANY ANY EXAMS?**  
Yes. Upon completion of the course you must write an examination which is multiple choice and covers the subjects studied in Ground School.

**WHERE CAN I FLY ONCE I HAVE MY LICENSE?**  
Most Canadian cities and towns have airports nowadays. So, in general your restrictions are very few.

**CAN I FLY AT NIGHT?**  
An additional 15 hours of training earns you a night endorsement.

**HOW DO I GET A COMMERCIAL PILOT LICENSE?**  
After you receive your Private Pilot License you may commence your Commercial training. The Commercial Pilot course includes an additional 30 hours of dual instruction and 30 hours of solo flying, as well as 20 hours of Ground School lectures. This training is an advanced course to prepare you for the issuance of your Commercial Pilot License.

# LODGEPOLE NEWS

A cash bingo is planned for Tuesday, June 9th at 7:30 p.m. at the Community Centre. There will be 20 games for a total of \$55. Admission is \$1.00 for a master card, from 10 years of age and up.

Mr. and Mrs. R. Hamilton and family have moved to their home at "A" lease.

Mr. and Mrs. Kalischuk and family have moved to Drayton Valley.

Congratulations to Mr. and Mrs. Kal Kristensen on the arrival of a son.

The picnic site at Lodgepole is being improved. Also several

vacant buildings are being removed from around town.

Two busloads of students attended the Track and Field Meet at Drayton Valley. Winners of ribbons were Wendy Fagervold, Darren Nelson and Donald Likness.

## RABIES REPORT

There were 2,388 confirmed cases of rabid animals in Canada in the 12 month period ended March 31 this year, report officials in the Canada Department of Agriculture's Health of Animals Branch.

The total for the previous 12-month period amounted to 2,463. Wild animals -- including 924 rabid foxes and 349 rabid skunks -- accounted for well over half the cases. As well 19 bats, 22 wolves, 13 raccoons, five ground hogs, two each of deer and coyote and one porcupine were also reported.

Among domestic animals there were 613 rabid cattle, 159 dogs, 124 cats, 64 sheep, 50 swine, 40 horses and one goat.

In Ontario there were 1,940 cases of positive rabies including 221 clinical cases. York county led the province with 125 cases, followed by Middlesex with 107. More than 70 cases were reported in Elgin and Simcoe and between 50 and 70 in Huron, Grey, Oxford, Willington, Brant, Hastings and Peterborough.

In Quebec there were a total of 276 cases, including 33 clinical cases. The 19 found in Arthabaska county was the largest number reported in any one area of Quebec.

In Manitoba there were 58 cases, including one clinical case. New Brunswick had 50 cases, British Columbia, five and Alberta and the Northwest Territories, one each.
